FLYING FIELD PASSES GOVERNMENT EXAMINATION

From Construction Standpoint Work is Perfect, Says Major Ingram—Comments Local Flying Club On The Efficient Way Work Was Done—Also Inspects Machines Of Stan Warren Of Sexsmith And Henry Stokes Of Wembley.

Officials Inspect Local Airport And Bear Lake With a View Of Granting a License

Major H. C. Ingram, inspector of civil aviation, J. C. Currie, A.I.D., and Major Hale, district pilot superintendent, arrived in Grande Prairie by aeroplane at 5:10 Wednesday afternoon from Edmonton, after two hours and thirty-five minutes of actual flying time. Major Hale is also on an inspection trip.

Running into a snow storm in the Crooked Creek area, the work in place was grounded in a stubble field, where the visitors remained for a couple of hours. No trouble was experienced in either landing or taking off.

The trip was made by Major Ingram and Engineer Currie to inspect the Flying Field built by members of the Grande Prairie and District Flying Club.

Following supper the party journeyed over to the building in which the field is housed and made a careful inspection of the machines. The officials complimented the club on the efficient way in which the work was done.

From the construction standpoint, said Mr. Ingram, the work is perfect. The only thing that remains now is to determine the machine's flying characteristics. If these are found satisfactory, the department will grant a private license.

J. Neil, president of the club and instructor, and several members of the organization were present during the inspection.

Thursday forenoon the Grande Prairie air field and Bear Lake were inspected with a view to recommending a license.

Later the officials hopped off in Sexsmith and then inspected an aeroplane being rebuilt for Stan Warren.

A Pitman two-place monoplane, built by Henry Stokes of Wembley, was also inspected on Thursday.

The aeroplane inspectors are using the Waco four-place cabin machine, powered with a Jacobs engine, and is the last word in cabin construction.

The verdict of an "unavoidable accident" was the result of a fatal crash, corner at the intersection of the death of six-year-old Dale Halverson, son of Mr. and Mrs. Halverson of Grande Prairie, who on Wednesday evening, October 14, at about 7:15 o'clock, was crushed beneath the wheels of a heavy truck driven by C. A. Anderson. Death was almost instantaneous.

The inquest was held in the council chamber of the town hall, Monday, October 20, at 2 p.m. Last Friday, twelve witnesses gave evidence. T. W. Leitch acted for the defence. On the jury were J. Nelson, foreman; Chas. Strudinsky, Tom Wilson, Chas. Munkie, James Leitch, and Chas. Spencer.

Social Creditors Nominate Grouard Constituency

HIGH PRAIRIE, Oct. 20.—Upwards of thirty delegates attended the Social Credit convention held here Friday last to nominate possible candidates for the next provincial election. The delegates were elected from the Social Credit Association in the district of L. A. Grouard, M.L.A.

These names will go before Premier Abernethy's advisory board for final selection.

On the suggestion of W. Russ, superintendent of Alberta Government Telephones in the Peace River, meetings are being held to organize rural telephone lines of the district into mutual telephone companies, to be operated and owned by farmers.

The South Bear Lake Mutual Telephone Company was formed at a meeting Monday at the home of P. U. Cludine, to be effective November 1. Officers of this company, elected at the same meeting, are: P. U. Cludine, president; and Art Hayes, secretary.

The plant consists of rural lines one and five and has 32 miles of line and 13 telephones. An increase to 20 subscribers is looked for in the near future.

On Tuesday afternoon the Grande Prairie Mutual Telephone Company was organized to take over the plant known as Grande Prairie rural number two, with nine shareholders, which number, it is expected, will be further increased to twelve. Robert Cochran was elected president and Gerald Carvill, secretary.

Further meetings to form similar mutual telephone companies in the former and existing telephone subscribers of the various lines are being organized by Mr. Russ, who will be in attendance at each meeting. The meetings are scheduled for "Tonight (Thursday) at Bernick Lake school house, for rural 1, Wembley; Friday, October 22, 8 p.m., at Cludine, for rural 2, 8 p.m., at Cludine, for rural 3, 8 p.m., at CELEBRATE THREE SCORE YEARS AND TEN PLUS SIX

Mr. Robert Wignome, commonly known as "Bob," was 70 years young on October 15, and a turkey supper was given in his home by Mr. and Mrs. Edward Morgan, old friends of Mr. Wignome. Bob did not give one of his famous speeches on this occasion, as he is saving this for Armistice.

Congratulations are extended to Bob for having beaten the three score and ten allotment by six years. May there be many more.

SEXSMITH LOCAL BRIEFS

Mrs. James Walker left on Tuesday's train for Moose, Sask., called there by the illness of her mother. Mrs. John Crampton, she expects to be away for some time.

Miss Dorothy Baker and Walter Perry, Jr., left on Tuesday's train to attend the Vermilion Agricultural College. Before leaving Miss Baker was the guest of honor at several dinners, including a banquet given by her Sunday school class.

Miss Pat Holden was in town last week, demonstrating correct lighting.

"Yum, yum! Chicken pie 'n' every-thing!" Do not forget the chicken supper in the United Church, October 20, at 6 p.m. Come and enjoy the supper of the people. This should give you that "contented look."

Do not fail to see "Steamboat Around the Bend," starring Will Rogers, on Saturday and Monday next at Grand Theatre, Sexsmith.

TOUGH WEEK FOR THE KIDS

Last week was a pretty tough one for the school children. They were not allowed to go to school on Monday, some being Thanksgiving Day, and then, if that were not enough, they were again barred out on Thursday and Friday on account of the Teachers' Convention at Grande Prairie. The kids feel that something should be done about this imposition.

YOUNGSTERS HAVE FINE TIME

Daphne Brown, celebrated her ninth birthday anniversary on Saturday, October 17, at her home and invited a number of her friends to make a meal with her. The following were present: Isabelle Smith, Eva Roberts, Clara Trehan, Shirley McMillan, Vera Walker, Mary Macdonald, Fredrick, Mary Naughton, Roland Olson, Jimmy Walker, and Joy Shannon. Needless to say, "a fine time was had by all."

ASPEN GLEN AUTO CAMP NEWS

ASPEN GLEN AUTO CAMP, Oct. 19.—Voter line, roads defunct to travel, but frequent threat of a storm sweeps everyone, motorist and farmer, on his toes.

Moving with their eight children, the Mortensens were on their way to settle at Fort Vermilion.

F. Bentlers, hotelman of Falher, and daughter, Bibiana, were en route to Edmonton, also Mrs. Fred Roy and Phil Lapensee.

Going west to locate was A. Forberg of Battledore.

Eastbound were Charlie Dunn and wife, of Beaver Lodge.

Mrs. Siegferson, four sons, and Miss 20, called on their way from Enilda to T. Simon's, Swan River, to join the latter at a Thanksgiving dinner.

On their way from Chauvin, Alberta, to Sunset Prairie, Mr. and Mrs. Maxwell Scott and their three sons—Cecil, Donald and Douglas—camped here on their way.

Mr. and Mrs. W. J. Kennedy of Swallow, Alberta, were campers on their return home from visiting to Edmonton, also Mrs. H. C. McInnes, at Grande Prairie.

Mr. Martin and son of Ladsville called in passing west.

SPIRIT RIVER NEWS

SPIRIT RIVER, Oct. 15.—Dean Wm. of Sexsmith was a recent visitor to town looking for combine work. He stated that he expected to get around 300 acres of flax and oats at Ryerfort. He further said that he can put the flax grain in good shape.

Many have been in all plowing, notwithstanding that the fields are pretty wet, making it difficult for the plows.

There seems to be a few geese left in the country yet. Perhaps they will stay all winter—not sure whether they have been shot or not.

Curry left in a blood in his eye, on a wild goose chase, and several of the geese were actually shot and waited for their coming. I believe they were safe. As no doubt they were in the full protection of the good lady on the farm they belonged to. "Billy" would be well advised to either tether the geese or put them in the pot at once or somebody else will.

Jack Davidson is back on the job again after spending his holidays somewhere between here and Edmonton. No doubt he kept in touch with the outside world, as he is the outstanding DX in the north country.

Ed. Hornby has put a real finish to the front of his ash and door factory, which he has moved to the town S. C. has begun to show its effect.

We are pleased to report that Mrs. Joe Rappel has come through her operation O.K.

A new furnace has been installed in the school, a much needed want, as the children were nearly frozen out during past winters. The town's eighth sons know his business. The kids will think they are in the banana belt the coming winter.

Jim Jolly met with a painful accident when he sawed one of his hands when doing some carpenter work. He is now in a regular hospital.

Spirit River is going to be on top this winter, with a regulation size skating rink thanks to the efforts of Mr. Radford, high school teacher. He has had teams and tractors working on the project for some time. The kids will have opportunity to stretch their legs. As there is plenty of good material in sight, good hockey should be served up.

Everybody is running around with trees from the nurseries these days. No mistake trees are around to beautify the surroundings. The school trustees have a supply to go around the school grounds, which will make a real improvement. Wonder when the town fathers will wake up to the fact that they could beautify their streets with a few trees. A few

dollars spent each year on some of the streets (and around the local hospital) would certainly be worth while. "Wake up!"

Mr. W. Stacey was a visitor to town this week, looking for a location to open up a S. C. clearing house. There are few to pick from in town. This would be an asset to our village, and no doubt when the dividends start coming they will be worth the expense to have a staff of three and a manager.

Dan Vader has started a butcher's shop down beside his barn. He says he has sold 60 steers over the counter in the past week. Regular beef-eaters in this neighborhood.

Our local hospital has been kept very busy lately and it has been full most of the time. Everything seems to be going very smoothly under the able management of Miss Alberta White, R.N.

Now the winter months are at hand it would be nice to see some concerts and socials at the local hospital, the proceeds to go towards paint and improvement and beautification. Make it a happy story of the town.

J. Dodge celebrated his 10th birthday yesterday. I doubt this being his age, but as he says, he is just as old as he feels. He must have been feeling good. Congratulations, Jimmie. May you go on and on!

Listening in to Denny proudly displaying his Class C certificate, which says you can get a shave without taking a chance on a slip.

The Masses must have had a special day, as there were a few strangers in town with their little sons under their arm.

S. Harris from High Prairie was a visitor in town this week. Nice to see your smiling face, Sam.

W. Mueller is having a big barn dance tonight to help a good cause. Expect a big crowd. As it is a night of good and bad weather, the Hospital Ladies' Auxiliary are putting on the lunch.

Observe Thanksgiving
LITTLE SMOKY, Oct. 19.—Thanksgiving service conducted by Mrs. Florence was well attended last Sunday in the schoolhouse, which was nicely decorated for the occasion with produce from the fields and gardens. The reading text was "What will the harvest be?" and "Why do we have harvest festivals?" Mrs. Florence, assisted by her co-workers, Mrs. Anderson and Mrs. Norman, is doing a most commendable work amongst us, "carrying on" for the Master.

Mrs. John Gilmore and her two children, Helen and Buddy, spent a few days in town. The Gilmore home on their return trip from the town had been visiting friends in the banana belt.

The club meeting was held at the Florence home on Saturday afternoon. The roll call never was the most interesting news item of recent date, and again the diversity of opinion was remarkably noticeable.

ELMWORTH NEWS

ELMWORTH, Oct. 19.—The many friends of Mrs. E. Macdonald are pleased to hear that she is on the road to recovery, after a long spell of illness.

Elmworth district has again come into the lead. George Grant reports a large yield of grain on a 16-acre field of wheat which yielded over 30 bushels to the acre. Mr. Grant had a wonderful crop this year. The Russell boys did his threshing.

Nearly everyone is through thrashing around here, and we are glad to see the last of the machines again, and very thankful for the lovely weather and the full line of grain. New granaries loom in the distance everywhere and cellars are full of feedstuffs. On the 1st of August there was a turnip which weighed 17 pounds and a cabbage 15½. In 1934 there was a larger cabbage that weighed 19 1/3 pounds. This was seen by visitors from Washington.

We are all pleased to have Rev. Geo. A. Shields with us again after his recent illness.

SEEN AND HEARD
That a local young lady following the hay racks was asked to buy a pair.

Iris visiting at home over Sunday. Jack losing another horse.

Charles' feed stack leaning heavily. Shield with a hand full of ripe strawberries.

Stella and Marie visiting at the Grant home.

Mary Dawson's horse dropped dead while on her way home.

That's all.

NOW THE WINTER BLASTS CAN BLOW AND SNOW DRIFT

Billy Belfry of Dimdale, who was in Grande Prairie on Tuesday, informed The Tribune that he has threshed 27,000 bushels of grain—12,000 of wheat and the balance of oats.

Billy, who was wearing a bright red coat, observed that it could now blow and snow and drift as much as it was in the autumn. He said that his whole being was seized with a magnificent security.

Hon. Hugh W. Allen, who was also in Grande Prairie on Tuesday, stated that he had just finished threshing about 9,000 bushels of grain, about equally divided between wheat and oats. His wheat averaged 33 bushels and oats 30 bushels per acre. Naturally the ex-Minister of Lands and Mines was quite optimistic about the reflected in a broad smile. He said something about putting the run on the wolf for at least a year.

ANNUAL CHICKEN SUPPER

The Annual Chicken Supper will be held in the Hythe United Church at 8 to 9 p.m. on Tuesday, October 27, under the direction of the Hythe United Church Women's Association. A cordial invitation is extended to all.

HALCOURT NEWS

LITTLE SMOKY, Oct. 19.—Thanksgiving service conducted by Mrs. Florence was well attended last Sunday in the schoolhouse, which was nicely decorated for the occasion with produce from the fields and gardens. The reading text was "What will the harvest be?" and "Why do we have harvest festivals?" Mrs. Florence, assisted by her co-workers, Mrs. Anderson and Mrs. Norman, is doing a most commendable work amongst us, "carrying on" for the Master.

Mrs. John Gilmore and her two children, Helen and Buddy, spent a few days in town. The Gilmore home on their return trip from the town had been visiting friends in the banana belt.

ELMWORTH NEWS

ELMWORTH, Oct. 19.—The many friends of Mrs. E. Macdonald are pleased to hear that she is on the road to recovery, after a long spell of illness.

Elmworth district has again come into the lead. George Grant reports a large yield of grain on a 16-acre field of wheat which yielded over 30 bushels to the acre. Mr. Grant had a wonderful crop this year. The Russell boys did his threshing.

Nearly everyone is through thrashing around here, and we are glad to see the last of the machines again, and very thankful for the lovely weather and the full line of grain. New granaries loom in the distance everywhere and cellars are full of feedstuffs. On the 1st of August there was a turnip which weighed 17 pounds and a cabbage 15½. In 1934 there was a larger cabbage that weighed 19 1/3 pounds. This was seen by visitors from Washington.

We are all pleased to have Rev. Geo. A. Shields with us again after his recent illness.

SEEN AND HEARD

That a local young lady following the hay racks was asked to buy a pair.

Iris visiting at home over Sunday. Jack losing another horse.

Charles' feed stack leaning heavily. Shield with a hand full of ripe strawberries.

Stella and Marie visiting at the Grant home.

Mary Dawson's horse dropped dead while on her way home.

NOW THE WINTER BLASTS CAN BLOW AND SNOW DRIFT

Billy Belfry of Dimdale, who was in Grande Prairie on Tuesday, informed The Tribune that he has threshed 27,000 bushels of grain—12,000 of wheat and the balance of oats.

Billy, who was wearing a bright red coat, observed that it could now blow and snow and drift as much as it was in the autumn. He said that his whole being was seized with a magnificent security.

Hon. Hugh W. Allen, who was also in Grande Prairie on Tuesday, stated that he had just finished threshing about 9,000 bushels of grain, about equally divided between wheat and oats. His wheat averaged 33 bushels and oats 30 bushels per acre. Naturally the ex-Minister of Lands and Mines was quite optimistic about the reflected in a broad smile. He said something about putting the run on the wolf for at least a year.

ANNUAL CHICKEN SUPPER

The Annual Chicken Supper will be held in the Hythe United Church at 8 to 9 p.m. on Tuesday, October 27, under the direction of the Hythe United Church Women's Association. A cordial invitation is extended to all.

HERE and THERE "On the Air"

SIR WILLIAM MULOCK TO BE HONORED BY FEDERATION

TORONTO, Oct. 19.—The Canadian Radio Commission announced today details of the broadcast over the national network of the 20th anniversary of the I.R.T. (7 to 8 p.m. Grande Prairie), of proceedings of a banquet to be given by Sir William Mulock, retired chief justice of Canada, by the Annual Federation of the University of Toronto.

Mr. H. G. C. Fryer, British postmaster-general, as well as distinguished graduates of the University and several Canadian educators will attend the banquet. It is expected that the main dinner at Toronto will be held at the University of Toronto.

An elaborate program in honor of Sir William Mulock will be given by the University of Toronto. Sir William Mulock, who is internationally known as Ontario's "Grand Old Man" and who enjoys the distinction of having originated the postmaster-general, as well as distinguished graduates of the University and several Canadian educators will attend the banquet. It is expected that the main dinner at Toronto will be held at the University of Toronto.

Following the presentation to the distinguished guest of honor will be heard Rt. Hon. G. C. Fryer, speaking from London, W. Swan, graduate of the University and an outstanding engineer, who will speak from Vancouver. Mrs. H. P. MacWilliams, former Canadian delegate to the League of Nations, will speak from the University, broadcasting from Winnipeg. The broadcast will switch to Halifax, where Dr. E. A. Tamm, president of Dalhousie University, will speak. The broadcast will then continue from Toronto.

CJCA NEWS

Good Morning, Neighbor! A cheer greeting you'll agree and one that brings Bill Adams, CJCA's chief announcer, life to thousands of Canadians homes every morning at 11 o'clock, accompanied by the varied rhythms of Jack Taylor and his Swingsters. Sparkling music cleverly arranged homelike style, the odd song of two, and Good Morning, Neighbor, extra to the regular program, the fact that it is comparatively new to 730 kHz.

Sorry, but we've looked right up to the end of November. It's a pity, but glad to take you then. "Say Parkin, demure mistress of ceremonies on Morton's Announcements program, in speaking to another budding radio star who longed for a debut, which would seem to indicate that the weekly feature was still as popular as ever with the contestants. The regular turn of votes that flows through the station's mail on this program definitely establishes its position as a prime favorite with western listeners.

In the London calling manner, CJCA offers an afternoon program that finds a warm spot in the hearts of the many Englishmen and their friends in the district—"Across the Frontier"—a half hour revue in the nature of the English music hall, assisted by leading British bands. Three-thirty to four each afternoon of the week finds old favorites such as Grace Fields, Stanley Holloway, Jack Payne, Ronald Frank, or Ray Charles, continuing for a continental revue that has them coming back for more.

It is difficult for people not living in northern Alberta to appreciate how much the vast northland of Canada means to Edmontonians, but the picture is best explained by listening to CJCA's regular Saturday midnight broadcast, "Hello the North." It is an hour of informal and news-casts, music, aviation bulletins, messages. It's a program broadcast in all sincerity to those pioneers in the territories, engaged in reaching the rich mineral resources, and to drop into the studio to meet the announcer on duty—famous flyers, messengers that were by the Western Front during the Great War—drop in to say hello to friends "down north," prospectors, in to the city for the first time in years, talk in the broadcast as part of their celebration. Such is "Hello the North"—a program that is tradition with CJCA.

MART KENNEY AGAIN WITH CRC

Mart Kenney and his orchestra, one of the most outstandingly popular of Canadian Radio Commission musical units, which this fall originating from the Vancouver studios. This orchestra, which was presented during the summer from Banff, was heard recently in the Commission's new series of "Sweet and Low" programs.

Many Attend The Consecration Of Pro-Cathedral

Grande Prairie district was well represented at the consecration of the new Anglican pro-cathedral of St. James at Peace River last week. The building was formerly presented to the Bishop for the Diocese of Athabasca by S. Attenborough of London, England, representing the lady whose generosity has made its erection possible. After the Bishop had knocked three times on the cathedral door and had been granted admittance, the long procession of choristers, lay-readers and clerics proceeded up the nave to their seats in the chancel, while the huge congregation sang the twenty-fourth Psalm. The ceremony of consecration was performed by the Bishop of Athabasca, after which the choir sang Te Deum Laudamus. The sermon was preached by the Bishop, and then followed a celebration of Holy Communion. After lunch, at which the clergy of the diocese and their wives were the guests of Mr. Attenborough, the new parish hall, adjoining the pro-cathedral was opened in the presence of a large audience. The Bishop, who was Mrs. Robert Holmes, widow of a former rector of Lake Macdonald, presided at the opening of the hall, a public reception was held, at which the people of the district were the guests of the lady who has given it. In the evening an invitation dance was held in the hall. Among those present from this district were: Mrs. J. Davis, Mrs. C. B. Harris, Mrs. Gant, Mrs. Barker, Mrs. and Mrs. Haymen, Mr. and Mrs. W. Pratt, Miss Edna Taylor, Miss Deane Wilson, Miss Margaret Davies, Miss Martley, and Rev. Canon Pierce, of Grande Prairie; Mrs. Frewer, Rev. and Mrs. A. P. LeDuc, Captain and Mrs. Roberts, Mr. and Mrs. A. Smith, and Miss Irene Smith, and Mrs. Knight of Wembley; Rev. and Mrs. S. W. Temple of Bayview, Mr. and Mrs. Leonard and family and Rev. H. E. Webb of Sexsmith; Mrs. T. Wright, Rev. and Mrs. Davidson, and Mr. Bedden of Spirit River.

Second Day of School Teachers' Convention

A. T. Doucette, H.S., was the principal speaker at the second day of the Teachers' Convention, held in Grande Prairie Oct. 19 and 20. After outlining the new course of studies in detail, Mr. Doucette said that another aim of the course is to instill in the child a pride of citizenship, a pride in being part of a great Dominion and a great Empire, where freedom, loyalty and high standard of living were keywords.

Another objective is to turn boys and girls out well informed on the affairs of the world. In this connection he said the newspaper is an absolute essential in social studies work, and he thought it only fair to suggest school boards to subscribe for newspapers for the schools.

A. T. Doucette, M.E., spoke on the value of the Musical Festival in assisting to develop musical understanding and education. He outlined some proposed changes in the syllabus for the following year, one of them being the addition of a class for public school plays. He hopes that something will not fail to come to the attention of the school boards.

Mr. Vaughan explained briefly the system of financing the Musical Festival and appealed to the teachers to help in the use of the Grande Prairie yet held here.

G. K. Black, District Agriculturist, gave an interesting talk on School Fairs. Classes were taught in Grade 1 by Miss Mary Robertson, Grade 2 by Miss Ruth Robertson, Grade 3 by Miss Myrtle Dreyer, and Grade 5 by Miss Lillian McFarlane. The "Organizing of an Enterprise" played a big part in the fair.

Many questions taken from the "Question Box" were answered by Mr. Doucette and Inspector Walker.

Jack Taylor Won Another Victory At McLennan

(Special to The Tribune)

McLennan, Oct. 19.—In the feature event on the card presented here today, Jack Taylor, of the McLennan Athletic Association, Jack Taylor of Valleyview, well-known grappler, defeated Alexander Seaton by taking two out of the three falls.

Taylor won the first fall in ten minutes and Alexander reversed matter in the second and pinned Taylor to the mat in two minutes.

Taylor came out of his corner in the third with blood in his eye and after a few minutes of milking three Alexander out of the ring into the lap of a rufous fan. After ten minutes of gloomy action, referee, Percy Jones, slapped Taylor on the back in the preliminary Mike Elliman of Edmonton defeated Sam Raspa of McLennan in two falls.

Elliman then took on Kessler of Peace River, who proved a hard nut to crack. After thirty minutes of wrestling the referee put it up to the crowd, who gave the decision to Kessler.

Howard Pender of Grande Prairie challenged the winner of the Taylor-Alexander bout. The Athletic Association intend to stage another wrestling card on November 2. One of the features of the big bill will be a wrestle royal, in which six heavies will battle it out. Australian rule will govern. This means that the only thing that will be heard will be eye gouging and biting off noses.

certain properties owned by the town. It is expected that the company will commence building by the first of November.

The Mayor suggested that now that the crop was threshed that there should be a drive put on for the collection of tax arrears. This was supported by the councillors.

W. Sharpe, chairman of the Municipal Hospital Board, asked permission to set some gravel from the town gravel pit to be used on the road leading to the hospital. The permission was granted.

Mr. Sharpe said that in his opinion it would be good business to have legislation passed which would permit council to enforce a compulsory hospital tax. He said that he would not leave that thought with the council. The following were appointed a committee to draw up a resolution and submit same at next meeting of the council: Mayor Tonley, Secretary Keys and W. Sharpe.

On motion of the Mayor, the finance committee was appointed to place reserve bids on the property owned by the town advertised for sale.

The matter of the personnel of the fire brigade came up for discussion. This was given over to J. H. Oliver, chairman of the committee, on motion of Councillor Porteous.

Wheat in Spirit River Averages 27 Bushels to Acre

SPIRIT RIVER, Oct. 19.—Threshing is nearly completed in this district. About 95% of the wheat is now in the bins and about 15% of the oats yet to be threshed.

The average yield for the district in wheat is estimated at 27 bushels, with many crops going as high as 45 bushels. The average straw is No. 3 dry.

With the prices prevailing the farmers of this area will be in good shape, with money to spare to carry them through next year.

MAINTENANCE OF WAY MEN ELECT OFFICERS AT MEETING IN GRANDE PRAIRIE SUNDAY

At the last quarterly meeting for the year 1936, held last Sunday afternoon at the Grande Prairie Hotel, Maintenance of Highway Men, Lodge 888, held their 40th annual coming year as follows: O. Gustafson, chairman; president, Fred Olenik; secretary, P. T. Hudek; treasurer, chairman of grievance committee.

The meeting, composed of nine members from Belloy to Peace Coups, passed a motion to hold all meetings in Grande Prairie during 1937, these formerly being held alternately between Grande Prairie and Hinton. They also endorsed a hearty vote of thanks to Frank Donald for allowing them the use of the Grande Prairie Hotel free of charge in which to conduct their meetings.

GRANDE PRAIRIE PARTY VISITS OIL FIELD IN BLOCK

The following made the trip to the oil fields over the weekend: Mr. and Mrs. H. A. Newton, Grande Prairie; John and Isabelle McNaught, George Honey, Fred Perry and Miss Doreen of the Beaver Lodge district. The parties met at Beaver Lodge and proceeded together.

The trip was made especially to see the old landings and to see the new ones. The visitors, however, were disappointed as the flames had been extinguished on October 19, the dynamite being used for the purpose.

In discussing the visit to the oil well with The Tribune reporter on their return home, Mr. Newton said that there was plenty of gas escaping. Due to the heat of the flame, which lasted for several weeks, ripe raspberries were picked by the party a short distance away.

R. F. GLADDEN WINS SECOND PLACE IN AERO CLUB MEET

R. F. Gladden, well known throughout the Peace as representative for Canadian General Electric Company and chairman of the Aero Club of aviation, won a cash prize as second place in the Edmonton Aero Club competition, held at the city recently. While on a visit here early this week, he stated that ten commercial license holders took part in the event for the best commercial pilot trained by Edmonton and Nonchalant Aero clubs, the Edmonton Journal silver cup being the top prize. Mr. Gladden won the Grand Prix shield last year while flying in the private pilot class.

EXPERT DRILLING TO BEGIN IN NEW OIL FIELD IN SPRING

POTICE COUPE, Oct. 19.—The Alberta government is conditioning the road leading into the new oil fields at the request of the company operating them, which is understood, intends shipping in the necessary machinery in time for drilling early in the spring.

Three more buildings, including an ice house, are under construction. A water reservoir is also being dug.

HALLOWEEN AND THRESHERS' DANCE AT DEBOLT, OCTOBER 30

DEBOLT, Oct. 19.—A Grand Halloween and Threshers' dance will be held at Debolt under the auspices of The Debolt Country Club on Friday night, October 30. Dodd's orchestra has been engaged for the occasion.

MALTING BARLEY

Any farmers who have six-rowed barley that they believe will be suitable for malting purposes are advised to send a sample to the Canada Malting Company, Calgary.

Despite the fact that their barley set through a period of bad weather in the stock, it may be suitable for malting purposes. Rumor has spread that malting barley is not wanted. This is not true, as a carload of good malting barley received a premium over market prices during the past week.

If you have a carload of either O.A.C. 21 or Peabody barley or can combine with a neighbor having the same variety, send a sample out. It may mean quite a bit to you.
